

CONSOLES

ALM - Upper element for consoles BLC

Description: an additional element for the BLC consoles.

Code ALM includes:

- Structure in welded and pressbent steel sheet
- Front cover screwed
- Bottom side open for connection with the **BLC** console and fixing points

Additional elements:

- customized holes on the structure and on the screwed front panel

CODE	Nominal dimensions			Other dimensions	
	H	L	P	A	B

CONSOLES BLD - Monoblock Console

Code BLD includes:

- Structure in pressbent and welded steel sheet
- Hinged front door
- Hinged desk cover
- Inner mounting plate in galvanised steel
- Closed bottom
- Plinth H=50 mm welded to the structure of the console

Additional elements:

- Customized holes on the structure, internal plate, hinged shelf panel and door

* For these dimensions the doors are double against each other.

CONSOLES

LAR - Monoblock consoles with upper element

Code LAR includes:

- Structure in welded pressbent steel sheet
- Hinged front door
- Hinged desk cover
- Screwed rear door full height
- Inner mounting plate

Additional elements:

- Wide mounting plate
- plinth code **ZAK** + side flanges code **FLK** H=100 or 200 mm (pag. 40)

* For these dimensions the doors are double against each other.

CONSOLES

Modular and monoblock consoles IP 55

Description: the range of consoles includes the series LC, BLC, LAS, BLD and LAR. All consoles are made up of pressbent sheetsteel and are all IP 55. Inner mounting plates are adjustable in depth and are in galvanised steel thick 2.0 mm. Paint is powder coating type, RAL 7035 textured.

LC - Modular consoles

Notes: the standard front door of the consoles has the hinges on the right side and the closing boxes on the left

CONSOLES

Description: modular consoles series LC include.

LC series is composed by the following elements:

- **LCB** base element with inner mounting plate
- **LCA** upper element without inner mounting plate
- **LCM** desk element without cover
- Electromechanical plate for the upper element cod. LCA / P
- Desk cover LCM/C
- Plinth code ZAK + side flanges code FLK (H=100 or 200 mm) (pag. 40)

Console composed of:
LCM - LCM../C - LCB

**Possible
composition**

Console composed of:
LCA - LCB

CONSOLES

LCB - Base element for modular consoles

Code LCB includes:

- Structure in pressbent steel sheet
- Front door
- Rear door
- Mounting plate

Additional elements:

Plinth code **ZAK** H=100 or H=200 +
side flanges code **FLK**,
see pages (pag. 40)

CONSOLES

LCA - Upper element for modular consoles

Code LCA includes:

- Structure in pressbent steel sheet
- Front hinged cover
- Rear screwed panel
- Fixing point to desk element

Additional elements:

- Mounting plate

Notes: the LMC.../C additional element is required when joining the upper and desk element, in order to avoid collision of the front cover and the desk cover

CONSOLES

LCM, LCM../C - Desk and cover

Code LCM include:

- Pressbent desk structure
- Hinged cover
- fixing points to base and upper elements **LCB**

Additional elements:

- Horizontal panel **LCM../C**
